About Transit South West

In 1946, Mr Tom Lucas founded the precursor to Transit South West. His son, Stephen Lucas took over the business in 1977 and as Managing Director has been campaigning for improved transport conditions and services from that time.

Our commitment to safe, economically responsible, healthy and environmentally sound transport is what makes Transit South West a leader in regional bus travel. With Stephen's son, Sam Lucas, as Manager and a dedicated team of drivers, some of whom clock up 40 years of safe driving before retirement, Transit South West shows real commitment to safe, comfortable and efficient bus travel.

If you would like to know more about our bus services, or would like some help to plan your journey, please call us on 5562 1866.
